Financial protection that fits your needs

With most Colonial Life plans:

- Coverage is available for your spouse and eligible dependent children.
- Benefits are paid directly to you, unless you specify otherwise.
- You can continue coverage when you retire or change jobs, with no increase in premiums.
- You may receive benefits regardless of any insurance you may have with other companies.

Everyone's benefit needs are different. That's why it's important to choose the benefits that are right for your personal situation. Complete this page and bring it to your personal, 1-to-1 benefits counseling session. At the session, you'll learn how these products fit into your overall benefits package and how they can help protect what you've worked so hard to build.

- Disability insurance** — Helps replace a portion of your income to help make ends meet if you become disabled from a covered accident or covered sickness.
- Accident insurance** — Helps offset unexpected medical expenses, such as emergency room fees, deductibles and co-payments that can result from a fracture, dislocation or other covered accidental injury.
- Life insurance** — Enables you to tailor coverage for your individual needs and helps provide financial security for your family members.
- Cancer insurance** — Helps offset the out-of-pocket medical and indirect, non-medical expenses related to cancer that most medical plans don't cover. This coverage also provides a benefit for specified cancer-screening tests.
- Critical illness insurance** — Supplements your major medical coverage by providing a lump-sum benefit you can use to pay the direct and indirect costs related to a covered critical illness.
- Hospital confinement indemnity insurance** — Provides a lump-sum benefit for a covered hospital confinement or outpatient surgery to help with co-payments and deductibles that are not covered by most major medical plans.
- Dental insurance** — Provides the same benefit amounts with any dentist you choose and covers a variety of dental procedures, from routine cleanings to more advanced procedures such as crowns and root canals. Additional savings are available by visiting a network dentist.
